# The Moors

## **Par 34 CONGU Handicap Perfect Starting Course ALL Year Round Golf**

Darnford Moors and the club are fully affiliated to Staffordshire Golf and Golf England. You can obtain a full CONGU registered handicap here—exactly the same as at other clubs

The Moors is an extremely testing Par 34 course

A test for all levels of golfer from beginner to Professional, our small target greens are a challenge to hit making the course a much more difficult test than its yardage suggests.

Perfect for the winter due to its sandy ground, ideal for drainage. When playing in the summer you could feel that you are on a links somewhere on the coast—particularly when the wind gets up!

Playing of alternate tees allow us to vary the course

Competitions are played throughout the year
